Good morning everyone,

I am addressing this area and have also requested extra patrol from our Officers dedicated to the homeless problem in Hollywood. I have also personally been picking up the trash in truck loads since the location is directly across from the elementary school.

Please keep me posted with any new information.

Yes lisa, thank you

Every morning hmd officers make contact and the subjects give them a hard time and sometimes challenge them.
Help from lapd will be most appreciated.

Dear Captain Acevedo:

Yes that is the location that we spoke about this morning. Thank you for taking the lead on this matter - it seems that this particular area is becoming a "hot spot" for the BID. Please make sure that your patrol staff makes regular passes to that area. I have included SLO Guerra on this email so he is aware of the persistent issue of homeless and debris.

Sincerely,

Lisa Schechter
